

HOW TO PROPERLY LOAD PERSONAL ITEMS IN THE VEHICLE

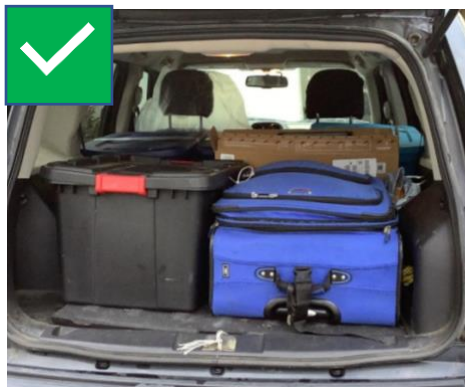

- No items can be on the front seat or front floorboard area;
- No items above the window line level;
- No items behind driver's seat.

- Rear attachments-such as bicycle or storage racks- are not allowed;
- Rooftop cargo attachments are subject to approval and additional costs might be applied.

- Items loaded on the back of the vehicle/trunk and back seats below window line level;
- Items do not restrict the driver's seat movement.

- Items are below bed line level;
- Items are fully secured;
- Items are fully contained and not loosely stored.
